

# HTS Technical Assistance Update MT CSI PCMH Program

Patty Kosednar, HIT Consultant

Health Technology Services

02/17/2016

# MT PCMH Program TA

- Funded by DPHHS to support MT CSI PCMH program
- Goals:
  - 2015 - Establish and validate baseline data for 2015 reporting year submission
  - 2016 – Work with recruited clinics to establish QI initiatives for improvement on 1 or more measures
  - 2016 – Technical assistance for retrieval of patient level data

# High Level Summary

- Initially recruited 33 MT PCMH clinics for TA
- Created reports and helped validate baseline data for 19 clinics
- Provided workflow and QI guidance based on baseline data with aims for improvement
- Transferred TA responsibilities for all FQHCs to the Primary Care Association on 1/6/2016
- Working with remaining 23 clinics on prep for data submission of 2015 data

# 2015 Baseline Data (12/5)\* not all YTD

BP 2015 Baseline %	DM 2015 Baseline %	TB 2015 Baseline %
59.83%	62.88%	64.55%
58.11%	32.77%	40.26%
73.79%	43.94%	74.29%
56.74%	0.00%	50.91%
68.79%	19.44%	38.88%
68.65%	23.61%	60.32%
67.73%	99.43%	64.13%
61.18%	17.29%	40.54%
50.85%	0.00%	94.54%
72.30%	26.30%	91.34%
61.75%	25.00%	89.03%
63.94%	24.51%	90.33%
48.85%	40.55%	92.56%
60.11%	27.20%	88.72%
62.85%	23.26%	87.63%
60.51%	29.29%	96.06%
55.56%	24.80%	85.57%
74.91%	21.76%	90.84%
59.05%	33.73%	91.62%

# 2015 Reporting year Data

- A large part of the TA in 2015 was establishing and validating data based on the new guidance.
- Direct comparison to last years data will be apples/oranges
- CMS/PQRS DM measure has errors so DM data for 2015 may be incorrect

# Group Education and Outreach

- Provided 2 MT PCMH specific webinars – open to all clinics:
  - 10/19/15 – For all eCW users – demonstrated correct workflows in EHR to capture data and create reports for all MT PCMH measures. Collaboration with Glacier Medical and MPCA. 29 clinics registered and 21 attended webinar.
  - 12/8/15 – QI recommendations, tools and best practices for all MT PCMH measures. Collaboration with DPHHS, St. Peters, South Hills Internal Medical Assoc. and Acorn Pediatrics. 49 clinics registered and 26 attended

# Next Steps for 2016

- Continued recruitment of clinics for TA
- Assistance with final data capture and submission
- Assistance with establishing patient level reporting
- Full focus on establishing quality improvement initiatives for MT PCMH measures
